Term 1 - Weeks 7 and 8

Principals Report

I would like to begin by thanking the P&C, students, Jeffro, Michael Adams and Joe Robinson for the school working bee on Sunday. Thank you to Joe Robinson for his generous donation of machinery to make the working bee possible, his ongoing support for our school is greatly appreciated. The play equipment is now fully functioning again thanks to all of your hard work. The students were extremely excited to be using the play equipment and sand pit again.

Thank you to Nicky Armstrong for securing sponsorship for a new shade sail for the school eating area which was previously damaged by a storm. Thank you to Brighann Ginning for their sponsorship, their support is greatly appreciated. The shade sail for the eating area should be completed in two weeks’ time which will allow the students to return to their normal eating area.

The school has applied for joint funding from the Department of Education and Communities to replace the sand underneath the play equipment with soft fall material. This has been decided with the student’s health and safety at the forefront. The P&C has come on board with this funding application and will kindly donate funds towards this project if it is accepted. This joint funding is not certain as we have to wait and see if the application has been accepted. I will keep you updated about this project when I hear more.

Annual Update of Student Contact Details

As it is a new school year a note was sent home today to update your child’s contact details. Please complete one for each child in your family and return to school as soon as possible. It is important to inform the school if any details change e.g. phone numbers, medical information etc. so that we are aware and we can update this into the student enrolment system. I appreciate your assistance with this process.

Art Program

The school has organised an Art program to be run by Moree Plains Art Gallery for a whole day once per term. The students will learn various art techniques using different mediums. Students will paint, draw and create a whole school mural. We look forward to the commencement of this wonderful program. The first Art day will be held on Friday 20th March.

Easter Hat Parade

The schools Easter Hat Parade is on Friday 27th March at the school. Students will take home cardboard throughout the week to make an Easter hat at home for the day. The hat parade will commence at 12.00pm celebrated with the preschool followed by a sausage sizzle lunch. Please come along and help us celebrate.
Moree Show

The annual Moree show for 2015 is on April 24th and 25th. The students are submitting art work so please keep a look out in the pavilion if you are visiting the show this year.

P&C Meeting

The next P&C meeting is scheduled for Friday 24th April at 1.30 pm. It is very important that the school's P&C remains active and in order for this to happen we need as much support as we can. Please come along and become financial members and contribute to your child’s education. It is extremely important that you remain informed of what’s happening in and around the school. Hope to see you there.

Narrabri Eisteddfod

The annual Narrabri Eisteddfod for set poem and choir will occur next term. No set date is confirmed as yet. Marty has been working with the students on the choir performances. The students have been given the song lyrics to take home and practice. Please encourage your child to practice at home.
