Term 2 - Weeks 7/8

Principals Report

This week the students have been busily learning about the art of tie dyeing and have produced some outstanding results.

Students have been preparing for quad sports each week and I can say that I have seen improvement in all students sporting abilities. Quad sports is being held at Bellata this year on the 24th June (only 2 ½ weeks away). Parents are required to transport their children to and from this event. A formal permission note will go home next week.

I have applied for a grant through Sporting Schools Australia to enable us to employ a coach into the school for students to receive skills in various sports. I should receive confirmation if we were lucky enough to be given the grant next term. I will keep you posted on this.

I am extremely impressed with all students in spelling and reading. All students have demonstrated growth in these areas. Well done to all students.

Next week we welcome Cassandra back from her maternity leave. We look forward to having her back at school.

I hope everyone enjoys the long weekend.

Hot Food

As the weather is warming up students will be able to bring hot food, soup and sandwiches to have toasted for lunch. Hot food days will be only 3 days a week, Monday hot food says, Wednesdays will be soup days and Fridays will be toasties days. I have attached a poster that can be put on the fridge for a reminder of the days. On the other days the students will bring their lunch like normal. This will begin next week. It is important that any hot food needs to be wrapped in foil or in a foil container suitable to be heated in the pie warmer. Soup must be cup of soup only and a plastic soup mug with a lid and spoon must be used. (I know that Woollies and Coles do sell these). Sandwiches that are to be toasted need to be wrapped in foil with the students name marked on the front. I appreciate your assistance with this.

Absences

A reminder if your child is away from school please ensure a note is sent to the school with an explanation. If your child has been absent due to serious medical reasons and has had a length of time absent from school then a medical certificate will need to be obtained. This will make sure the absence is not recorded as unjustified.

Tie Dyeing

In art students have been learning about fabric dye and the art of tye dyeing with Miss Nelson. Students were fortunate enough to experiment with this concept and tie dye their own shirts. The results were fabulous. Well done Mallawa you look fantastic.
