Enrolments / Transfers:

When enrolling students, parents should proceed to the main office to complete the Application for Enrolment. A record of the student’s date of birth is required i.e. birth certificate or registration form.

If transferring from another school, it would be helpful if any current report forms could be made available.

If the new student travels more than 2 kilometres to a bus stop or school by private vehicle a Conveyance Subsidy Application form can be filled out.

Short-term enrolments, where the students will be enrolled for a period of less than four weeks, are to follow a program of work provided by their ‘home school’. Because of disruptions to class programs, short-term enrolments will need to be negotiated with the Principal.

Absences:

On occasions when your child is unable to attend school a note is required which fully explains the reason for the absence. The note should be handed to the child’s roll teacher on their first day back after the absence or within 5 days. Cases of persistent unexplained absences will be referred to the Home School Liaison Officer.

Assemblies:

Term assemblies are held at the school. Parents have an open invitation to attend these assemblies and see the class displays, merit awards, guest speakers and general school announcements.

Buses:

The school runs a bus which brings students to and from school.

If your child normally catches the bus but you have altered arrangements for the day please contact the school to inform us.

Canteen:

There is NO CANTEEN at school. Students can however bring food to be heated in the pie warmer or microwave on designated days.
Communications:

The school always attempts to keep parents and the community informed about the school’s daily events, staff changes, excursions, sports carnivals and other events. A school newsletter is usually distributed fortnightly. Class notes are distributed from time to time as appropriate.

Homework Policy:

Homework is set on a regular basis and students should complete and return homework when set.

Leaving School Grounds:

Students are not permitted to leave the school grounds during school hours without written parental permission. This request must be made in writing or person by the parent and must go through the front office.

Library:

Students are encouraged to borrow books from the library. Students may borrow from the Library during weekly library time. Students must bring a library bag.

Parental Interviews:

Parents are invited to talk with their child’s teacher at any time. It is often best to make an appointment in advance so that the teacher can be prepared to assist you.

P & C Association:

The school has an active P & C which supports using many ways. Parents are encouraged to become involved and be an active part of the P & C and their child’s education.
